Waskita Karya BUMN Konstruksi Pertama yang Jadi Percontohan Industri 4.0
Waskita Karya, the First Construction SOE to Become a Pilot Company for Industry 4.0

Pada perayaan hari ulang tahun (HUT) ke-62 Waskita Karya, Kementerian Perindustrian menobatkan Perseroan sebagai perusahaan percontohan industri 4.0 di bidang konstruksi. Penghargaan kepada Perseroan ini langsung diberikan oleh Kepala Badan Standarisasi dan Kebijakan Jasa Industri Kementerian Perindustrian Dody Rahadi kepada Director Human Capital Management & System Development Perseroan Mursyid.

Dalam sambutannya, Dody Rahadi menjelaskan berdasarkan hasil *assessment* INDI 4.0 di Waskita Karya yang telah dilakukan oleh Lembaga Pelaksana *Assessment* INDI 4.0 BUMN pada tahun 2021 yang lalu, maka skor INDI 4.0 dari 0 sampai 4, Waskita Karya berada pada level 3. INDI sendiri adalah Indonesia Industry 4.0 Readiness Index.

On the commemoration of Waskita Karya's 62nd anniversary, the Ministry of Industry awarded the Company as Industry 4.0 pilot company in construction sector. This awarded was directly presented by the Head of Industrial Service Standardization and Policy Agency of the Ministry of Industry, Dody Rahadi, to the President Director of the Company, Destiawan Soewardjono, accompanied by the Director of Human Capital Management & System Development of the Company, Mursyid.

In his speech, Dody Rahadi explained that based on the results of INDI 4.0 assessment at Waskita Karya conducted by the State-Owned Enterprises INDI 4.0 Assessment Implementing Agency in 2021, on a scale of 0 to 4, Waskita Karya scored at level 3. INDI itself stands for Indonesia Industry 4.0 Readiness Index.

Februari | February

Rapat Umum Pemegang Saham Luar Biasa 2023
2023 Extraordinary General Meeting of Shareholders

Waskita Karya menggelar Rapat Umum Pemegang Saham Luar Biasa (RUPSLB) pada minggu kedua bulan Februari tahun 2023 dengan dua mata acara, yang pertama adalah Penetapan Beban Biaya Atas Pelaksanaan Privatisasi Perseroan Tahun 2022 dan yang kedua adalah Persetujuan Perubahan Pengurus Perseroan. Acara RUPSLB sendiri digelar di Gedung Waskita Heritage, Cawang, Jakarta, Selasa, 14 Februari 2023.

RUPSLB dipimpin langsung oleh President Commissioner Perseroan Heru Winarko yang didampingi oleh President Director Perseroan Destiawan Soewardjono dan seluruh Board of Commissioners serta Board of Directors. Dalam RUPSLB 2023 terdapat pergantian di jajaran direksi yaitu pada Director of Business Development dan Director of Operation II.

Waskita Karya held an Extraordinary General Meeting of Shareholders (EGM) in the second week of February 2023 with two agendas. The first agenda was the Determination of Expenses for the Implementation of the Company's Privatization in 2022, and the second was the Approval of Changes to the Company's Management. The EGM was held at Waskita Heritage Building, Cawang, Jakarta, on Tuesday, February 14, 2023.

The EGM was chaired by the President Commissioner of the Company, Heru Winarko, accompanied by the President Director, Destiawan Soewardjono, and the entire Board of Commissioners and Board of Directors. In the 2023 EGM, there were changes in the management ranks, specifically in the positions of Director of Business Development and Director of Operation II.

Maret | March

Peresmian Fasilitas Kawasan Suci Pura Besakih Bali
Inauguration of the Sacred Area Facilities at Besakih Grand Temple, Bali

Satu lagi karya Waskita Karya dalam membangun tempat ibadah yang prestisius dan menjadi kebanggaan masyarakat Bali, yaitu Pelindungan Kawasan Suci Pura Agung Besakih, Bali, yang telah diresmikan pada 13 Maret 2023 oleh Presiden Joko Widodo. Setelah kurang lebih 15 tahun dibangun, akhirnya Perseroan menyelesaikan proyek Pembangunan Infrastruktur Pelindungan Kawasan Suci Pura Agung Besakih.

Berdasarkan data dari Kementerian Pekerjaan Umum dan Perumahan Rakyat (PUPR), penataan Pura Agung Besakih menelan anggaran sebesar Rp600,1 miliar (APBN Rp378,4 miliar dan APBD Rp221,7 miliar). Penataan meliputi pembangunan gedung parkir, pembangunan 267 kios besar dan 198 kios kecil, pembangunan pedestrian, hingga berbagai fasilitas umum seperti toilet, Bale Pesandekan, Bale Gong, dan area bermain anak.

Turut hadir mendampingi Presiden dan Ibu Iriana dalam acara tersebut yaitu Menteri Koordinator Bidang Kemaritiman dan Investasi Luhut Binsar Pandjaitan, Menteri PUPR Basuki Hadimuljono, Sekretaris Kabinet Pramono Anung, Gubernur Bali I Wayan Koster, Wakil Gubernur Bali Tjokorda Oka Artha Ardana Sukawati, dan Bupati Karangasem I Gede Dana.

Another masterpiece by Waskita Karya in building a prestigious place of worship and pride for the people of Bali is the Protection Facility of the Sacred Area of Besakih Grand Temple, Bali, which was inaugurated on March 13, 2023, by President Joko Widodo. After approximately 15 years of construction, the Company finally completed the project for the Infrastructure Development Project to protect the Sacred Area of Besakih Temple.

According to data from the Ministry of Public Works and Public Housing (PUPR), the arrangement of Besakih Grand Temple involved a budget of Rp600.1 billion (Rp378.4 billion from the national budget and Rp221.7 billion from the regional budget). The arrangement includes the construction of parking buildings, the construction of 267 large stalls and 198 small stalls, the construction of pedestrian paths, and various public facilities such as toilets, Bale Pesandekan, Bale Gong, and children's play areas.

Also present accompanying the President and Mrs. Iriana in the event were Coordinating Minister for Maritime Affairs and Investment Luhut Binsar Pandjaitan, Minister of Public Works and Public Housing Basuki Hadimuljono, Cabinet Secretary Pramono Anung, Governor of Bali I Wayan Koster, Deputy Governor of Bali Tjokorda Oka Artha Ardana Sukawati, and Regent of Karangasem I Gede Dana.

Setelah kurang lebih selama empat bulan dikerjakan oleh Waskita Karya, akhirnya Gedung Central Medical Unit 3 (CMU3) atau Gedung Kanigara RSUP Nasional Dr Cipto Mangunkusumo (RSCM) selesai dibangun. Proyek dengan nilai kontrak sebesar Rp252 miliar pada 6 Maret 2023 telah diresmikan penggunaannya oleh Menteri Kesehatan Budi Gunadi Sadikin, Menteri Keuangan Sri Mulyani Indrawati dan Menteri PUPR yang diwakili Direktur Jenderal Cipta Karya Diana Kusumastuti yang didampingi Direktur Utama RSCM dr Lies Dina Liastuti, SpJP(K), MARS, FIHA.

Director of Operation I & QSHE Perseroan I Ketut Pasek Senjaya Putra menyampaikan pembangunan Gedung Kanigara ini dikerjakan Perseroan selama empat bulan. Adapun yang dikerjakan Perseroan di Gedung Kanigara adalah pekerjaan site development, struktur, arsitektur, mekanikal elektrikl & plumbing serta interior.

After approximately four months of construction by Waskita Karya, the Central Medical Unit 3 (CMU3) building, also known as the Kanigara Building of Dr. Cipto Mangunkusumo National General Hospital (RSCM), has finally been completed. The project, with a contract value of Rp252 billion, was inaugurated for its use on March 6, 2023, by the Minister of Health, Budi Gunadi Sadikin, the Minister of Finance, Sri Mulyani Indrawati, and the Minister of Public Works and Public Housing, represented by the Director General of Cipta Karya, Diana Kusumastuti, accompanied by the President Director of RSCM, Dr. Lies Dina Liastuti, SpJP(K), MARS, FIHA.

The Director of Operation I & QSHE of the Company, I Ketut Pasek Senjaya Putra, stated that the construction of Kanigara Building was carried out by Waskita for four months. The tasks undertaken by the Company in Kanigara Building include site development, structural work, architecture, mechanical, electrical & plumbing, as well as interior work.

Pada 17 April 2023, Kementerian Badan Usaha Milik Negara (BUMN) meluncurkan program mudik bersama BUMN untuk lebaran 2023. Menteri BUMN Erick Thohir mengatakan BUMN menyiapkan 65.603 kuota mudik gratis dengan rincian 46.523 penumpang pada 1.009 bus, 15.658 penumpang melalui 30 rangkaian kereta api, dan 2.562 penumpang dengan tujuh kapal laut.

Waskita Karya menjadi salah satu BUMN yang ditunjuk untuk menyelenggarakan Mudik Gratis 2023. Sebanyak 250 peserta mudik Waskita Group diberangkatkan dengan tujuan Solo, Semarang, Yogyakarta, Surabaya, Malang dan Palembang dengan 7 unit bus. Selain dilepas di Gedung Waskita Heritage, Waskita Karya juga mengirimkan 1 armada bus yang dilepas secara bersama-sama dengan 82 BUMN lain oleh Menteri BUMN Erick Thohir dan Menteri Perhubungan Budi Karya Sumadi di Gelora Bung Karno, Jakarta. Selain gratis, peserta Mudik Bareng BUMN juga mendapatkan goodiebag berisi makanan, snack, obat-obatan dan souvenir.

Ceremony mudik dilaksanakan pada tanggal 18 April 2023 yang dilepas langsung oleh Director of Operation I & QSHE, I Ketut Pasek Senjaya Putra, Director of Business Development, Rudi Purnomo serta jajaran Direksi dari Waskita Beton Precast.

Diharapkan kegiatan-kegiatan TJSL tersebut dapat dilaksanakan secara rutin sehingga selain bisa membantu mempermudah masyarakat untuk mendapatkan kebutuhan pokok juga mendukung kebijakan pemerintah dalam mengakomodir pemudik untuk melakukan perjalanan dengan aman.

On April 17, 2023, the Ministry of State-Owned Enterprises (SOE) launched the joint homecoming with SOE program for Eid al-Fitr 2023. The Minister of SOE, Erick Thohir, stated that SOE prepared 65,603 free homecoming quotas, consisting of 46,523 passengers on 1,009 buses, 15,658 passengers on 30 trains, and 2,562 passengers on seven ships.

Waskita Karya was one of the appointed SOEs to organize the Free Homecoming 2023. A total of 250 Waskita Group participants departed to Solo, Semarang, Yogyakarta, Surabaya, Malang, and Palembang using 7 buses. In addition to the departure at Waskita Heritage Building, Waskita Karya also sent one bus fleet that was released together with 82 other SOEs by Minister of SOE Erick Thohir and Minister of Transportation Budi Karya Sumadi at Gelora Bung Karno, Jakarta. In addition to being free, participants of the Joint Homecoming with SOE also received a goodie bag containing food, snacks, medicines, and souvenirs.

The homecoming ceremony was held on April 18, 2023, and was directly launched by the Director of Operation I & QSHE, I Ketut Pasek Senjaya Putra, the Director of Business Development, Rudi Purnomo, and the Board of Directors from Waskita Beton Precast.

It is hoped that such joint homecoming activities can be carried out regularly so that, besides helping facilitate the public to obtain basic needs, they also support the government's policy in accommodating travelers of homecoming to travel safely.

Pada 16 Mei 2023, dilaksanakan Groundbreaking Improvement and Upgrade Of The Existing Tono Market – Oesilo Border Road, With Two Existing Bridges, In Oe-cusse Region yang dihadiri langsung oleh President of the Authority of the Region RAEQA – ZEESM Timor Leste Mr. Arsenio Paixao Bano serta perwakilan Perseroan dihadiri oleh I Ketut Pasek Senjaya Putra selaku Director of Operation I & QSHE. Selain itu, hadir juga Mr. Candido Dos Reis Amaral selaku Director Diresaun Regional Infrastrutura (DRI) Timor Leste, jajaran pejabat lainnya, dan masyarakat lokal yang menyaksikan secara langsung.

Nilai kontrak senilai USD33.915.000 atau sekitar Rp513 miliar. Proyek ini akan dikerjakan selama kurang lebih dua tahun dengan lingkup pekerjaan Waskita Karya antara lain peningkatan kualitas Jalan dari Pasar Tono menuju Oesilo, Rehabilitasi 2 (dua) jembatan eksisting, serta pembuatan dinding penahan tanah serta perkuatan lereng sebagai pengamanan jalan akan bahaya longsor, mengingat kondisi eksisting merupakan tebing yang cukup terjal.

On May 16, 2023, the groundbreaking ceremony for the Improvement and Upgrade of The Existing Tono Market – Oesilo Border Road, With Two Existing Bridges, In Oe-cusse Region was held, attended by the President of the Authority of Region RAEQA – ZEESM Timor Leste, Arsenio Paixao Bano, and representatives from the Company, including I Ketut Pasek Senjaya Putra as the Director of Operation I & QSHE. Also present was Candido Dos Reis Amaral, the Director of Diresaun Regional Infrastrutura (DRI) Timor Leste, other officials, and local communities who witnessed the event.

The contract value amounted to USD33,915,000 or around Rp513 billion. This project is expected to be completed in approximately two years. The scope of work for Waskita Karya includes improving the quality of the road from Tono Market to Oesilo, rehabilitating 2 (two) existing bridges, constructing retaining walls and slope reinforcement to secure the road against landslide hazards, considering the existing conditions are quite steep cliffs.

Tanda Tangan Kontrak Proyek PNLIA Timor Leste Contract Signing of Timor Leste PNLIA Project

Waskita Karya kembali meraih kepercayaan dari Pemerintah Timor Leste untuk membangun sebuah proyek strategis di negara tersebut. Kali ini, perusahaan konstruksi milik negara Indonesia ini ditunjuk untuk mengerjakan pengembangan Bandara Internasional Presidente Nicolau Lobato.

Pada 29 Mei 2023, telah dilaksanakan acara penandatanganan Proyek Bandara Internasional Presidente Nicolau Lobato, Timor Leste yang dihadiri langsung oleh Presiden Timor Leste Jose Ramos Horta, Perdana Menteri Timor Leste Taur Matan Ruak, Wakil Perdana Menteri dan Ministry of Planning and Territory Jose Maria Dos Reis, Menteri Keuangan Rui Augusto Gomes, Menteri Transportasi Timor Leste José Agostinho da Silva dan menteri – menteri lainnya, Dubes RI untuk Timor Leste Okto Dorinus Manik serta Director of Operation I & QSHE Perseroan I Ketut Pasek Senjaya Putra.

On May 29, 2023, Waskita Karya once again gained the trust of the Timor-Leste Government to undertake a strategic project in the country. This time, this Indonesian state-owned construction company was appointed to work on the development of Presidente Nicolau Lobato International Airport.

The signing ceremony for the Presidente Nicolau Lobato International Airport Project in Timor-Leste was held on May 29, 2023. It was attended directly by the President of Timor-Leste, Jose Ramos Horta, the Prime Minister of Timor-Leste, Taur Matan Ruak, the Deputy Prime Minister and Minister of Planning and Territory, Jose Maria Dos Reis, the Minister of Finance, Rui Augusto Gomes, the Minister of Transportation of Timor-Leste, José Agostinho da Silva, and other ministers. Also present were the Indonesian Ambassador to Timor-Leste, Okto Dorinus Manik, and the Director of Operation I & QSHE of the Company, I Ketut Pasek Senjaya Putra.

Pada 11 Juli 2023, Presiden RI Joko Widodo (Jokowi) meresmikan Jalan Tol Cileunyi-Sumedang-Dawuan (Cisumdawu). Peresmian dilakukan di terowongan kembar (twin tunnel), tepatnya di ruas KM 169, Desa Rancakalong, Kabupaten Sumedang, Jawa Barat.

Dalam kesempatan tersebut, Presiden turut mengapresiasi konstruksi Jalan Tol Cisumdawu sepanjang 61,6 kilometer dan menghabiskan anggaran Rp18,3 triliun tersebut. Jalan tol ini diketahui memiliki terowongan kembar sepanjang 472 meter.

Turut mendampingi Presiden dalam acara peresmian tersebut adalah Sekretaris Kabinet (Seskab) Pramono Anung, Menteri Badan Usaha Milik Negara (BUMN) Erick Thohir, Menteri Perhubungan (Menhub) Budi Karya Sumadi, Menteri Pekerjaan Umum dan Perumahan Rakyat (PUPR) Basuki Hadimuljono, Gubernur Jawa Barat (Jabar) Ridwan Kamil, Bupati Sumedang Dony Ahmad Munir, dan Bupati Majalengka Karna Sobahi.

On July 11, 2023, the President of the Republic of Indonesia, Joko Widodo (Jokowi), inaugurated Cileunyi-Sumedang-Dawuan Toll Road (Cisumdawu). The inauguration took place at the twin tunnels, precisely at KM 169, Rancakalong Village, Sumedang Regency, West Java.

During the event, the President appreciated the construction of the 61.6-kilometer Cisumdawu Toll Road, which cost Rp18.3 trillion. It is known that this toll road includes twin tunnels spanning 472 meters.

Accompanying the President at the inauguration were the Secretary of the Cabinet (Seskab) Pramono Anung, Minister of State-Owned Enterprises (SOE) Erick Thohir, Minister of Transportation (Menhub) Budi Karya Sumadi, Minister of Public Works and Public Housing (PUPR) Basuki Hadimuljono, Governor of West Java (Jabar) Ridwan Kamil, Regent of Sumedang Dony Ahmad Munir, and Regent of Majalengka Karna Sobahi.

Juli | July

Peresmian Tol Cisumdawu Inauguration of Cisumdawu Toll Road

Pada 4 Agustus 2023, Waskita Karya melaksanakan peresmian Tol Ciawi-Sukabumi Ruas Cigombong-Cibadak yang dilakukan oleh Presiden Jokowi hari ini. Jalan Tol Ciawi-Sukabumi Ruas Cigombong-Cibadak sepanjang 11,90 km sudah selesai dan siap dioperasikan.

Jokowi menambahkan, jalan tol Ciawi-Sukabumi ini sebagai bagian dari kado Pemerintah untuk Provinsi Jawa Barat khususnya masyarakat Sukabumi dalam rangka HUT ke 78 tahun Republik Indonesia serta Jalan tol ini dapat mempercepat mobilitas orang dan mobilitas barang dan juga yang berkaitan dengan investasi.

Turut mendampingi Presiden dalam acara seremoni peresmian Jalan Tol ini di depan Gerbang Tol Parungkuda, Kabupaten Sukabumi Menteri Pekerjaan Umum dan Perumahan Rakyat (PUPR) Basuki Hadimuljono, Menteri Badan Usaha Milik Negara (BUMN) Erick Thohir, Gubernur Provinsi Jawa Barat Ridwan Kamil beserta jajaran pimpinan daerah Kabupaten Sukabumi, President Commissioner/Independent Perseroan Heru Winarko, Independent Commissioner Addin Jauharudin, President Director Mursyid, Director of Business Development Rudi Purnomo dan President Commissioner PT Waskita Toll Road (WTR) Wiwi Suprihatno beserta jajaran pejabat Waskita lainnya.

On August 4, 2023, Waskita Karya held the inauguration of Ciawi-Sukabumi Toll Road Cigombong-Cibadak Section, conducted by President Jokowi. The Ciawi-Sukabumi Toll Road Cigombong-Cibadak Section, spanning 11.90 kilometers, has been completed and is ready for operation.

Jokowi added that the Ciawi-Sukabumi toll road is part of the government's endowment to West Java Province, particularly the people of Sukabumi, in commemoration of the 78th anniversary of the Republic of Indonesia. Additionally, this toll road will accelerate both passenger and freight mobility as well as investment-related activities.

Accompanying the President at the inauguration ceremony at Parungkuda Toll Gate in Sukabumi Regency were the Minister of Public Works and Public Housing (PUPR) Basuki Hadimuljono, Minister of State-Owned Enterprises (SOE) Erick Thohir, Governor of West Java Province Ridwan Kamil, along with local government officials from Sukabumi Regency. Also present were the President Commissioner/Independent Commissioner of the Company, Heru Winarko, Independent Commissioner Addin Jauharudin, President Director Mursyid, Director of Business Development Rudi Purnomo, and President Commissioner of PT Waskita Toll Road (WTR) Wiwi Suprihatno, along with other officials from Waskita.

Peresmian Tol Bocimi Ruas Cigombong - Cibadak Inauguration of Cigombong - Cibadak Section of Bocimi Toll Road

Pada 8 Agustus 2023, Waskita Karya menggelar Waskita Peduli melalui Program Tanggung Jawab Sosial dan Lingkungan telah selesai melakukan pembangunan dan pembuatan sarana air bersih berupa sumbu bor dan toren air di 9 titik/desa yang ada di wilayah proyek Jalan Tol Bogor-Ciawi-Sukabumi (Bocimi) Kabupaten Sukabumi, Jawa Barat.

Seremoni serah terima dilakukan di Pondok Pesantren Al-Rahimiyyah, Desa Cikahuripan, Kecamatan Kadudampit, Kabupaten Sukabumi. Hadir dalam acara dan menyerahkan secara simbolis, Head Social & Environment Responsibility Unit, Poppy Sukmawati, Sekretaris Daerah Kabupaten Sukabumi, Ade Suryaman, Kapolres Sukabumi AKBP Maruly Pardede serta Ketua Yayasan Al-Rahimiyyah Kabupaten Sukabumi KH Ujang Hamdun.

Program bantuan sarana air bersih ini selaras dengan arahan Kementerian BUMN untuk menitik beratkan program bantuan di bidang lingkungan, selain itu program ini juga sesuai dengan tujuan perusahaan untuk berkontribusi menyalurkan bantuan yang berpedoman pada Sustainable Development Goals (SDGs).

On August 8, 2023, Waskita Karya held "Waskita Peduli" (Waskita Cares) through its Corporate Social and Environmental Responsibility Program, completing the construction and establishment of clean water facilities consisting of bore wells and water towers at 9 points/villages in the project area of Bogor-Ciawi-Sukabumi Toll Road (Bocimi) in Sukabumi Regency, West Java.

The handover ceremony took place at Al-Rahimiyyah Islamic Boarding School, Cikahuripan Village, Kadudampit District, Sukabumi Regency. Present at the event and symbolically handing over the facilities were the Head of Social & Environment Responsibility Unit, Poppy Sukmawati, the Secretary of Sukabumi Regency, Ade Suryaman, the Sukabumi Police Chief, AKBP Maruly Pardede, and the Chairman of Al-Rahimiyyah Foundation in Sukabumi Regency, KH Ujang Hamdun.

This clean water facility assistance program aligns with the direction of the Ministry of State-Owned Enterprises to prioritize assistance programs in the environmental sector. Furthermore, this program is also in line with the Company's goal to contribute to distributing assistance as guided by the Sustainable Development Goals (SDGs).

Rapat Umum Pemegang Obligasi 2023 General Meeting of Bondholders 2023

Pada 5 September 2023, Waskita Karya menyelenggarakan Rapat Umum Pemegang Obligasi (RUPO) Berkelanjutan III Tahap II tahun 2018 dan Obligasi Berkelanjutan III Tahap IV Tahun 2019. Dalam RUPO seluruh jajaran Direksi Perseroan hadir sebagai bentuk komitmen Manajemen terhadap Restrukturisasi Waskita Karya. President Director Mursyid, Director of Finance and Risk Management Wiwi Suprihatno, Director of Business Development Rudi Purnomo, Director of HCM, System Development & Legal Ratna Ningrum, Director of Operation I I Ketut Pasek Senjaya Putra, Director of Operation II Dhetik Ariyanto dan Director of Operation III Warjo.

Pada RUPO tersebut, Perseroan memberikan penjelasan atas pembayaran kewajiban Obligasi yang belum direalisasikan kepada para pemegang Obligasi. Adapun penjelasan Perseroan pada RUPO tersebut telah diterima dan para Pemegang Obligasi telah menyetujui untuk memberikan kelonggaran waktu kepada Perseroan untuk menyusun kembali skema penyelesaian kewajiban yang dapat diterima oleh seluruh stakeholders. Dengan disetujuinya perpanjangan waktu atas penundaan kewajiban kepada pemegang obligasi, Perseroan dapat melanjutkan proses review MRA dengan lebih komprehensif dengan tetap mengutamakan prinsip equal treatment kepada seluruh kreditur, dengan harapan Pemegang Obligasi dapat memberikan persetujuan atas skema restrukturisasi yang akan diusulkan pada pertemuan selanjutnya. Selain itu, persetujuan atas kelonggaran waktu ini dapat memberikan tambahan waktu bagi Perusahaan untuk melakukan preservasi kas guna menjaga kegiatan operasional dan untuk melanjutkan peninjauan ulang implementasi MRA serta rencana penyelesaian kewajiban kepada Stakeholders dengan lebih komprehensif. Saat ini Perseroan sedang dalam proses persetujuan dari kreditur perbankan atas skema restrukturisasi yang telah disampaikan.

On September 5 2023, Waskita Karya held a General Meeting of Bondholders (RUPO) of Sustainable Bonds III Phase II 2018 and Sustainable Bonds III Phase IV 2019. At the RUPO, all members of the Company's Board of Directors were present as a form of Management's commitment to the Restructuring of Waskita Karya, President Director Mursyid, Director of Finance and Risk Management Wiwi Suprihatno, Director of Business Development Rudi Purnomo, Director of HCM, System Development & Legal Ratna Ningrum, Director of Operation I I Ketut Pasek Senjaya Putra, Director of Operation II Dhatik Ariyanto and Director of Operation III Warjo.

During the RUPO, the Company provided explanations regarding the unrealized payment of Bond obligations to Bond holders. The Company's explanations at the RUPO were well-received and the Bondholders agreed to grant an extension of time to the Company to re-arrange a settlement scheme acceptable to all stakeholders. With the agreed extension of time for postponing obligations to bondholders, the Company can continue the MRA review process more comprehensively while still prioritizing the principle of equal treatment for all creditors, with the hope that Bondholders will approve the restructuring scheme that will be proposed at the next meeting. In addition, approval of this extension of time provides additional time for the Company to preserve cash flow to maintain operational activities and continue reviewing the implementation of MRA and a more comprehensive plan for settling obligations to Stakeholders. Currently the Company is in the process of obtaining approval from banking creditors for the restructuring scheme that has been submitted.

Peresmian JPM Dukuh Atas Inauguration of JPM Dukuh Atas

Jembatan penyeberangan Multiguna (JPM) Dukuh Atas telah siap beroperasi, hal tersebut dibuktikan dengan peresmian pada 13 September 2023, yang berlokasi di Anjungan JPM Dukuh Atas, Jakarta Pusat.

Acara ini diresmikan langsung oleh Menteri Perhubungan RI Budi Karya Sumadi, Pj. Gubernur DKI Jakarta Heru Budi Hartono, dan disaksikan langsung oleh Ketua DPRD DKI Jakarta Prasetyo Edi Marsudi, Direktur Jenderal Perkeretaapian Kementerian Perhubungan Risal Wasal, Direktur PT MRT Jakarta (Perseroda) Tuhiyat, Direktur Perencanaan Strategis dan Pengembangan Usaha PT KAI (Persero) John Robertho, dan Direktur Utama PT Transportasi Jakarta Welfizon Yuza. Direktur Utama PT Waskita Karya (Persero) Tbk Mursyid dan Direktur Utama PT Waskita Karya Realty Anak Agung Gede Oka beserta jajaran Direksi KSO WBVF turut menghadiri acara peresmian ini.

Jembatan Penyeberangan Multiguna (JPM) Dukuh Atas merupakan jembatan penghubung yang terintegrasi dengan lima moda transportasi publik yakni, LRT Jabodebek, MRT, KAI Commuter Line, Transjakarta serta Stasiun Kereta Bandara. Memiliki desain modern dan futuristik menambah nilai plus JPM Dukuh Atas yang berdiri kokoh di Jantung Ibukota Jakarta.

The Multifunctional Pedestrian Bridge (JPM) Dukuh Atas is now ready for operation, as evidenced by its inauguration on September 13, 2023, at the JPM Dukuh Atas Pavilion in Central Jakarta.

The event was inaugurated directly by the Minister of Transportation of the Republic of Indonesia, Budi Karya Sumadi, the Acting Governor of DKI Jakarta, Heru Budi Hartono, and was witnessed by the Chairman of DKI Jakarta Regional People's Representative Council (DPRD), Prasetyo Edi Marsudi, the Director General of Railways at the Ministry of Transportation, Risal Wasal, the Director of PT MRT Jakarta (Perseroda), Tuhiyat, the Director of Strategic Planning and Business Development at PT KAI (Persero), John Robertho, and the President Director of PT Transportasi Jakarta, Welfizon Yuza. The President Director of PT Waskita Karya (Persero) Tbk, Mursyid, and the President Director of PT Waskita Karya Realty, Anak Agung Gede Oka, along with the management of JO WBVF, also attended the inauguration ceremony.

The Multifunctional Pedestrian Bridge (JPM) Dukuh Atas is an integrated bridge connecting five modes of public transportation: LRT Jabodebek, MRT, KAI Commuter Line, Transjakarta, and Airport Train Station. Its modern and futuristic design adds value to the JPM Dukuh Atas, standing strong in the heart of the capital city of Jakarta.

Pada 19 Oktober 2023, Menteri Pekerjaan Umum dan Perumahan Rakyat (PUPR) Basuki Hadimuljono dan Menteri Sekretaris Negara Pratikno bersama Manajemen Waskita Karya, melakukan kunjungan kerja dan doa bersama sebagai tanda dimulainya Pembangunan Bendungan Karangnongko yang terletak di Kecamatan Kradenan Kabupaten Blora, Provinsi Jawa Tengah.

Direktur Utama Waskita Karya, Mursyid, bersama Direktur Operasi II, Dhetik Ariyanto, turut hadir pada kegiatan ini. Selain itu, kunjungan kerja dan doa bersama ini dihadiri juga oleh Staf Ahli Menteri Bidang Teknologi, Industri dan Lingkungan Endra S. Atmawidjaja, Direktur Jenderal Cipta Karya Kementerian PUPR Diana Kusumastuti, SVP Infrastructure I Mochamad Waskito Adi beserta perangkat daerah Bupati Blora dan Bupati Bojonegoro.

Sebagai informasi, proyek pekerjaan Bendungan Karangnongko Paket 2 ini dilakukan dengan cara joint operation dengan PT Bangkit Berkah Perkasa dan PT Kelman Infra Pratama. Pembangunan yang didanai menggunakan dana APBN ini akan dikerjakan dalam 1.218 hari dan ditargetkan selesai pada akhir 2026. Selain itu, Perseroan berkomitmen menjamin kualitas konstruksi proyek Bendungan ini dan menjadikan bendungan sebagai fungsinya yaitu dapat memenuhi kebutuhan air untuk masyarakat Indonesia, mulai dari penyedia air baku sebagai air minum, irigasi, pembangkit listrik, pengendali banjir serta pengembangan sektor pariwisata.

On October 19, 2023, the Minister of Public Works and Public Housing (PUPR), Basuki Hadimuljono, and the Minister of State Secretariat, Pratikno, along with the management of Waskita Karya, conducted a working visit and joint prayer to mark the commencement of the construction of Karangnongko Dam located in the Kradenan District of Blora Regency, Central Java Province.

The President Director of Waskita Karya, Mursyid, along with the Director of Operations II, Dhetik Ariyanto, were present at this event. Additionally, the working visit and joint prayer were attended by the Minister's Expert Staff in the field of Technology, Industry, and Environment, Endra S. Atmawidjaja, the Director General of Cipta Karya at the Ministry of PUPR, Diana Kusumastuti, SVP Infrastructure I Mochamad Waskito Adi, along with officials from Blora Regency and Bojonegoro Regency.

As an information, the construction project of Karangnongko Dam Package 2 is carried out through a joint operation with PT Bangkit Berkah Perkasa and PT Kelman Infra Pratama. The project that is funded by the state budget (APBN), will be completed within 1,218 days and is targeted to be finished by the end of 2026. Furthermore, Waskita is committed to ensuring the quality of this dam construction and to fulfill its function of meeting the water needs of the Indonesian people, including providing raw water for drinking, irrigation, electricity generation, flood control, and developing the tourism sector.

Pada 30 Oktober 2023, Menteri Perhubungan Budi Karya Sumadi melakukan groundbreaking pembangunan LRT Jakarta Fase 1B rute Velodrome Rawamangun – Stasiun Manggarai. Waskita Karya sebagai kontraktor, telah dipercaya oleh Pemerintah Provinsi DKI Jakarta untuk melanjutkan proyek Pembangunan LRT Jakarta Fase 1B yang merupakan lanjutan dari LRT Jakarta Fase 1A rute Kelapa Gading – Velodrome yang sudah beroperasi sejak tahun 2019.

Groundbreaking ini juga dihadiri oleh Pj. Gubernur DKI Jakarta Heru Budi Hartono, Wakil Ketua DPRD Provinsi DKI Jakarta Rany Mauliani, Direktur Utama PT Jakarta Propertindo (Persero) Iwan Takwin beserta Jajaran, Direktur Utama LRT Jakarta Hendri Saputra, Direktur Utama Waskita Karya Mursyid, Direktur Operasi I & QSHE I Ketut Pasek Senjaya Putra, Direktur Pengembangan Bisnis Rudi Purnomo serta para Pejabat Pemerintah Provinsi DKI Jakarta.

Proyek senilai Rp4,6 triliun ini akan dibangun dengan jarak tempuh 6,4 kilometer dengan 5 stasiun yaitu Stasiun Pemuda Rawamangun, Stasiun Pramuka BPKP, Stasiun Pasar Pramuka, Stasiun Matraman dan Stasiun Manggarai. Dengan LRT Fase 1B ini, maka untuk keseluruhan rute LRT Jakarta (Kelapa Gading – Manggarai) ditargetkan bisa membawa sekitar 180.000 penumpang per hari.

On October 30, 2023, the Minister of Transportation Budi Karya Sumadi conducted the groundbreaking ceremony for the construction of LRT Jakarta Phase 1B, Velodrome Rawamangun to Manggarai Station route. Waskita Karya, as the contractor, has been entrusted by the Jakarta Provincial Government to continue the construction of LRT Jakarta Phase 1B project, which is an extension of LRT Jakarta Phase 1A, running from Kelapa Gading to Velodrome, which has been operational since 2019.

The groundbreaking ceremony was also attended by Acting Governor of DKI Jakarta Heru Budi Hartono, Vice Chairman of DKI Jakarta Provincial DPRD Rany Mauliani, President Director of PT Jakarta Propertindo (Persero) Iwan Takwin and team, President Director of LRT Jakarta Hendri Saputra, President Director of Waskita Karya Mursyid, Director of Operations I & QSHE I Ketut Pasek Senjaya Putra, Director of Business Development Rudi Purnomo, and various officials from DKI Jakarta Provincial Government.

The project with a value of Rp4.6 trillion, will span 6.4 kilometers with 5 stations: Pemuda Rawamangun Station, Pramuka BPKP Station, Pasar Pramuka Station, Matraman Station, and Manggarai Station. With LRT Phase 1B, the entire route of LRT Jakarta (Kelapa Gading – Manggarai) is targeted to carry around 180,000 passengers per day.
